"I Love A Parade..."

fireworks and parade to highlight July 4th weekend activities

MILLBURY. As part of Millbury's 4th of July celebration, the Millbury Lions Club is again sponsoring a gala parade and carnival to be held as part of the weekend's festivities. In addition, because of the 200th Anniversary celebration of the Constitution, the Lions have planned extraordinary fireworks displays.

"We started preparing for the parade and the activities right after last year's parade," said Paul Emmons, chairman of the parade committee. "Actually, we thought after the success of last year's parade and activities that we'd get a lot more response and participation," he said. However, the Lions have been a bit discouraged that more local businesses and organizations have not wanted to participate in this year's festivities. "We've had some difficulty getting local church groups and the Millbury High School Band to participate," George Kane, a member of the committee, stated. He added, however, that the Lions still have hope that more floats and entries will be added since there is still time to be included in the parade. The Lions are eager to accept new participants.

In spite of this minor disappointment, the Lions have nevertheless enthusiastically organized what they feel will be several days of unforgettable activities that will appeal to everyone in the area, and make Millbury proud to be the host community.

The festivities begin on Wednesday, July 1 with rides and games at Windle Field. On Thursday at 10:15 p.m., there will be a gala bonfire to launch the next three days of festivities.

The centerpiece of the activities this year will again be the Parade which will be held on Sunday, July 5 at 1 o'clock. It will feature seven bands and a Fife and Drum Corps. Two local entries, Sutton's Dudley Gendron American Legion Post and Millbury's Charles F. Minney VFW Post will provide their colorful precision marching units. The Lions hope to able to attract other marching and equestrian units to add to the festive spirit of the parade.

The parade will be dotted with at least six gaily decorated floats and the possibility of several others. The floats, representing various groups and businesses, are a future a distinctive feature of the parade, attracting a great deal of attention from the thousands of spectators that al[illegible]line the streets. "It's a nice way that groups and businesses can get some exposure while helping to create the spirit celebration that's so much a part of the tradition of the Fourth of July," said Fred Vulter, King Lion of the Lions Club.

Lions member, Dennis Leonard, has started a campaign in the school system to encourage youngsters to decorate carriages and bicycles. He hopes that area children will express their creativity and imagination by participating in the parade. "This is a good way to include the children in the celebration and instill in them a sense of the spirit of the holiday. If we can get them interested in this at an early age," he explained, "then they'll continue with it in the future and look forward to it."

The Lions are a fraternal organization whose philanthropies in the area of sight, diabetes, and alcohol and drug awareness are nationally recognized. Apart from these, the organization contributes to a wide variety of local organizations. Bill Kane, a member of the parade committee stated, "These Fourth of July events are the Lions' major fund raising event of the year. The majority of the money we collect during this time comes back to the community." The Lions hope that they will be even more successful than last year so that they can continue their tradition of helping worthy organizations in the area.

What would a 4th of July be without Fireworks? Well the Lions, eager to extend the spirit and excitement, have arranged for a spectacular series of fireworks displays. They will be held on Friday, Saturday, and Sunday nights starting at 10:15 PM. "People will have to come all three nights," Emmons explained playfully. "On two nights, we have planned some very special, spectacular displays, but we're not telling which nights."

Other events planned include entertainment on Saturday and Sunday nights, and "Kiddies Day" on Saturday.

All in all, the Lions have prepared four days of fun and excitement to help celebrate this historic date. They encourage anyone who wishes to participate (and they hope that many other businesses, groups, and organizations will want to) not to delay, but there is still time to become involved. Anyone wishing to be included will be heartily welcomed. For further information, contact George Kane at 865-3345 or Paul Emmons at 865-2115.

FRANCE MA[illegible]ER BE THE SA[illegible]IN

Twelve of the nineteen Boy Scouts who will be travelling to France with their advisors.

MILLBURY. On July 15, France will celebrate Bastille Day, its equivalent to the 4th of July. This year however, there will be nineteen scouts and five advisors from Millbury's Troop 109 to show the French how to celebrate. The boys, thanks to the efforts of Mr. and Mrs. Frederick Foury, will be travelling to France for a fourteen day excursion which will include living with french scouts for four days, then travelling to France's counterpart of the Philmont Scout Camp. Mr. and Mrs. Foury are French citizens who are in the Millbury area on a work assignment. Their son, Frederick, is a member of Troop 109.

The boys and their advisors, Ernie Vaillancourt, Ralph Strout, Dick Cole, Ray Peare, and Randy Mogren, will leave July 11 from New York and arrive in Paris where they will then proceed to the city of Compeigne. In this city of about 30,000 people, the scouts will spend four days as guests in the homes of French scouts. There, the boys will visit the scenic and historic region famous for its medieval castles and cathedrals. Mr. Foury, who is familiar with the area, will serve as guide to the group for these four days. The boys should not have a language problem since most French scouts speak several languages, one usually being English, and Frederick will be accompanying the troop throughout their excursion.

They then will travel to Le Puy, the site of the scout camp. There, in the French Alps near the border of Spain, the boys will be hiking and camping out using equipment which the French scouts will provide.

The troop wants to express its gratitude to the Women's Auxiliary which has helped underwrite some of the expenses. The Auxiliary plans to run the dunking booth at the 4th of July festivities at Windle Field to help defray the cost of the transportation to France.

Both the advisors and the scouts are excited about the opportunity to learn and experience the French culture and are extremely grateful to the Foury family which has planned and coordinated the activities.

Nous souhaitons a tous les scouts une evenement memorable. Bon Voyage!

We the people...

Trouble in River City

To The Editor,

The citizens of this state have a governor who is seeking the office of the Presidency. One of the public stances he is taking is his opposition to the Seabrook Nuclear Power Plant in New Hampshire, on the grounds that there is not a satisfactory evacuation plan for the surrounding areas which border on Massachusetts and, indeed, include some towns in Massachusetts, to insure that if there should be an accident, thousands of lives would not be endangered.

While this is laudable, and we wish him success in his endeavor, I would submit, as the song goes, "We have trouble right here in River City". The people of Millbury are well aware that a chemical plant is in the process of moving its Worcester operation to this town with all the possible dangers that concerned the people of Worcester, who were able to unite in a successful effort to remove said company.

While we applaud them, the people of Millbury now face the same problems they did. However, we do it with a much smaller police department, a part time volunteer fire department, many of whom work during the day, and even when available may be less able to cope with a chemical fire and the hazards of such.

Should we not insist on an evacuation plan for the town in the event that one or more of the tanks of hazardous chemicals should explode or catch fire? It may never happen, but the possibility exists. (The best brains in the country never thought the space shuttle Challenger would explode.)

We have a large elderly population, many of whom no longer drive, and are not as mobile as they once were. Should we not ask the governor to attend to their problems in his own state, so that his credibility would remain intact?

Laurie Gagne Wins "Name the Kitty" Contest

MILLBURY. The Millbury Public Library is happy to announce the winner of its "Name the Kitty" Contest. Laurie Gagne, a student in next year's fifth grade class at Assumption School, won the contest. The winning name that Laurie submitted is "Troubles". Laurie wins a copy of the latest Audubon Society's Field Guide to North American Mammals. We hope that Laurie gets many years of fun and information using this field manual. Congratulations from the Trustees and staff of the Millbury Public Library.

Millbury Historical Society Announces New Displays

MILLBURY. In celebration of Millbury's 174th year, a new display has been arranged in the Millbury Historical Society's display cases in the Town Hall. The exhibit reflects a study of our town's history by students at the Raymond E. Shaw Middle School, under the direction of Carole Chiras. The children also researched information and then prepared a felt quilt depicting Millbury's past; this is suspended above the cases.

At the Millbury Public Library, the display area contains articles courtesy of the Millbury Historical Society: a mourning veil which belonged to Mrs. Louis Salois; a brick, circa 1920, manufactured by the Millbury Brick Co. of West Millbury; an arrowhead found in loam from the site of the new branch of the Millbury Savings Bank on Route 146; a pennant from Millbury's Centennial; Caleb Burbank's Signature (Millbury's Godfather); post cards of the Torrey House and Will Taft's visit to our town while serving as 27th President of the U.S.; photographs of Amos Armsby and his daughter, Lauribel; Mrs. Armsby's parasol; and several pictures of the graduates of Millbury High School's class of 1914.

Golden Agers Update

By Lillian C. Sheehan

LIBRARY ART EXHIBIT

If you remembered, you perhaps joined the many who visited the Art Exhibit at the Millbury Public Library on Sunday; the response was very good. Of those on display, the following awards were given: First Prize – Monadnock Stream by Bernard Corey; Second Prize, Sick in Bed by Steve Allrich; Third Prize, Bolton Flats by Mark Tougias; Honorable Mention, Office Floral by Bob Aiello. Special thanks was given to Rosemary Waltos and her staff for their cooperation in what the Council hopes is the first of many art shows.

MILLBURY GOLDEN AGE CLUB

The last two meetings for the Millbury Golden Age Club, before vacation, are Tuesday, June 23, and June 30. All members are reminded that annual dues of $3.00 are now payable.

HAPPY BIRTHDAY

A belated Happy Birthday is extended to Alice Davis of the Linden Apartments. Many happy returns, Alice!

Chronicle Photo by Steven Gagne

Bernard Corey was the first place winner in the Millbury Public Library's Juried Art Exhibit. Mr. Corey's winning entry, Monadnock Stream, is at the left.

Summer at last! While the schools have been winding down for the summer vacation, the Library has been winding up. This summer, the Library has some great programs and special events especially for kids. In addition, we also have hundreds of great books for kids to read during the long, hot summer ahead. Below, you'll find a list of some of these books.

This list of books is for preschool through elementary school age children (next week look for book recommendations for young adults.). This list was drawn up with the assistance of the school media specialists in the Millbury public school system. To make sure that every child gets plenty of books to choose from and read, the public school's media center is letting us borrow multiple copies of the books on the list. High School Dialogue

By Roger Desrosiers

SUMMER SCHOOL - 1987

Once again, Millbury High School will conduct a summer school program for grades 8 through 12, offering courses in the areas of English, Mathematics, Science, Social Studies and Physical Education. A special note on the Physical Education course: it is being offered due to a policy change approved this year by the School Committee. Students who fail Phys. Ed. during the year will either make it up in Summer School or take an additional class of Phys. Ed. the following year if they can fit it into their schedule. If next year's seniors do not take either of the above options, they risk not graduating with their class next June. All courses, including Phys. Ed., are offered dependent upon sufficient enrollment.

Registration will be Friday, June 26 and Monday, June 29 from 11:00 a.m. to 2:00 p.m. in the lobby in front of the auditorium at the high school. Since report cards will not be available before June 26, students who know that they have failed should still register even if they have not received their report card. Should there be a problem, there will be a late registration on Tuesday, June 30, in the high school office from 11:00 a.m. to 1:00 p.m. Since Summer School begins on June 30, a late registration would count as one absence. Other information and regulations for Summer School are available upon registration.

Summer School will run from Tuesday, June 30 to Friday, July 31. One hour classes will be held each weekday morning and will be conducted between 8:00 a.m. and 12:10 p.m. Each student must provide his/her own transportation.

The tuition fee for Millbury residents is $40 per course. For non-Millbury residents, it is $75 per course. Checks should be made out to Millbury High Summer School.

If there is any further information that you would like to know, please call the high school office at 865-5841 and I, as Summer School Director, will try to answer your questions.

NURSERY SCHOOL SUMMER PROGRAM

There will be a mini summer nursery school program starting on July 6 and running through August 7th. It will operate during the morning hours from 8:30 a.m. to 12:00 noon. The children will participate in a number of crafts, etc. A snack will be provided. The fee is $6.00 per session. If any parents are interested in enrolling their children in this program, please contact Mrs. Banks through the high school office, 865-5841.

GIRLS SOFTBALL REACH DISTRICTS

The Millbury Girls Softball team is soaring, as each year they climb new heights. They've played inspiring ball with good pitching, clutch hitting and solid defense. The coaches and players have worked very hard this spring and, despite a difficult loss to Bartlett, they have earned our congratulations. Go on to higher heights next year!

Dennis Leonard, coach of Girls Softball, wishes to express his appreciation to the community, parents and students. The following is his letter to you:

"The Millbury Girls Softball team finished with a record of 14-5. Of the five losses, four were to district champs, Bartlett, and to Uxbridge. The girls finished second in the S.W.C.L. and were eliminated by Bartlett in the district quarterfinals. Millbury was seeded fourth in the district standing out of eleven teams that qualified. Overall, we feel it was a very successful year. There are days in sports when no matter how hard you try, nothing works. We feel this is the year we let the district championship get away - on that day in the quarterfinals we just did not execute effectively.

We will miss the Seniors Lynne Picard, Ellen Ward, and Robin Rosseel. All are going on to further education. Good luck to all of you.

Many thanks to all the fans, school staff, and students for their support. Special thanks to Elaine Bush and Steve Dupras for their assistance and to Ron Stead for the news articles on the games."

BOYS BASEBALL TEAM RECEIVES RECOGNITION

Once again, the Boys Baseball team has received recognition, but this time it's not for its baseball prowess but for the courtesy and respect it has shown throughout this spring season. According to Coach Bobby Austin, the umpires awarded their Central Mass. Umpires Sportsmanship Award to the Millbury High Baseball team. Considering that this distinction singles out Millbury High from seventy-two other schools making up this district, it is indeed an honor. This award is to be shared by the fans, student body, players, and coaches. What a great way to end the school year! Congratulations to all!

THANKS

This is my final article and I cannot leave you without acknowledging my gratitude and expressing my appreciation to the people who have helped me to bring you the news. It is so easy to forget people who, along the way, have contributed their time. I hope to not make that mistake. I thank Dr. Sylvia for his cooperation and Mr. Carmody for his patience and his assistance, as I'd walk in on a Friday afternoon seeking time to discuss upcoming events or activities. The cooperation and expert help of the faculty and staff were overwhelming as over 40 of our number were tapped at one time or another for information for this column. The students also made my job easier as they were willing to provide me with the important details.

Despite all their help, this opportunity could not have happened without the consent and good wishes of our local newspapers, The Millbury-Sutton Chronicle, The Millbury Journal, and the Blackstone Valley Tribune. You have provided the Millbury residents an opportunity to learn more about their school. Thank You!

And finally, but most importantly, to you the readers – Thank you! During the course of the year, I appreciated the notes that I received from some of you and also the words of encouragement that many of you offered me.

As I close, I wish all of you a relaxing and enjoyable summer. Adieu! Adios! and Good-bye!!

Thank You

We would like to take this opportunity to express our sincere thanks and appreciation to our friends, relatives, neighbors and co-workers, for their many acts of kindness, words of comfort and expressions of sympathy at the untimely passing of Roberta E. Stimpson.

Fidelity Co-operative Bank Enters New Century of Service

year-long celebration gets underway

Fidelity Co-operative Bank is celebrating its 100th birthday and has planned an exciting centennial year for customers and patrons. The 100th year, which officially commenced in April, 1987, will be filled with events and celebrations, including numerous cash giveaways, scholarships, educational programs for the public, and the introduction of new bank products.

In appreciation for continuing customer loyalty in the service areas of Fitchburg, Leominster, Gardner, Millbury and surrounding communities, and in honor of the landmark year, the bank plans to offer a series of educational seminars, award academic scholarships to deserving area high school students and promote the Great Hawaii Giveaway campaign. The campaign, recognizing the 100th year, features monthly $100 drawings and a grand prize drawing for an all-expense paid trip for two to Hawaii. The Giveaway and all other birthday events will culminate on April 25, 1988 when the grand prize winner's name is drawn.

Bank President, Francis Metterville, has extended an invitation to the public to participate in all events and celebrations. "Our tradition is service," said Metterville, "and throughout this 100th year, we want all of our service communities to know how much we appreciate their patronage. The scheduled events are designed to benefit customers, either rewarding them with scholarships and prizes, or providing them with new services. And, of course, we want to include customers in every part of our celebration."

Metterville also commented that the bank is entering its next century of service with a new corporate logo

and radio jingle, both being introduced during the birthday year.

VOLUNTEERS

We desperately need home-bound meals driers for the summer. If you can donate one or more days per week for the next month we would appreciate it very much. HELP Loans from MCU!
With the high cost of college, a HELP Loan from the Millbury Credit Union can *really* help with your educational expenses.
If you're a student making satisfactory progress at an approved educational institution, or have just been accepted to an approved educational institution...and you meet certain family income standards...you may be eligible for a HELP Loan from MCU.
You should apply for HELP after you've completed your school's financial aid form...which will assist in determining your eligibility.
Also, MCU offers PLUS Loans to parents of undergraduate students, regardless of family income.
For HELP with *your* educational expenses, see Doreen Thornburg...at the Millbury Credit Union.
